Our boutique luxury home delivering individual care for our residents

♥ Valentine's Day at Manor Barn ♥

Valentine's Day at Manor Barn was full of warmth, laughter, and special moments as we celebrated all kinds of love - friendship, companionship, and the connections we share every day. In the weeks leading up to the day, our residents enjoyed making decorations, helping to transform the home into a beautiful, love-filled space. It was wonderful to see everyone getting involved and sharing smiles along the way.

A real highlight was the fantastic live performance from Femi Otto. Residents sang along to familiar favourites, some had a little dance, and there were even a few happy tears. A truly special day, reminding us that love is all around us. ♥♥

February Focus: Comfort, Connection & Joy

As we embraced February, we focused on comfort, connection and calm. Residents enjoyed special visits from Lucy our wonderful therapy dog, bringing plenty of smiles and gentle moments. We spent time practising mindfulness, relaxing together, and simply enjoying each other's company.

We also celebrated Musicals Day with a fantastic performance from Archie, which had everyone singing along and brought wonderful energy into the home, a perfect boost for togetherness and joy.
