Our boutique luxury home delivering individual care for our residents

♥ Food Tasting and Community Bonds ♥

We were delighted this month to be the host of a food tasting event for our residents and their families. We were joined by HILS and age uk. We sampled delicious healthy well balanced meals and of course tasty deserts which were a huge hit. These community events benefit not only our residents but any residents with us on a respite stay who are able to return home.

Spring in full Swing

During April we enjoyed the outdoors, our community trips and a sense of togetherness.

The Activity team in our home are a vital supporting pillar, essential for enriching the lives of our residents day by day.

Please look out for our upcoming dementia cafe being held third thursday of every month. We would love to welcome as many of you as possible.
