Our boutique luxury home delivering individual care for our residents

**It's the most wonderful time of the year!**

The Christmas period at Manor Barn Care Home was filled with festive cheer and wonderful memories. Throughout December, residents enjoyed a fabulous month of celebrations, including pantomimes, trips to see the Christmas lights and numerous lovely parties. As we counted down to Christmas, we also shared cosy movie days, watching much-loved festive favourites together. Adding even more magic to the season, we welcomed some very special guests as Santa's elves paid us a visit, bringing plenty of laughter, fun and festive mischief for everyone to enjoy.

# Connecton at the heart of Manor Barn

We were deeply thankful to the wonderful volunteers who gave their time to bring joy and warmth to our residents. The local church and the children of Fishbourne Primary School both visited to perform festive carol services and we were also delighted by homeschooled children delivering handmade Christmas cards and homemade treats. These special visits mean so much to our residents, helping to reduce loneliness, strengthen community connections and bring genuine happiness through shared moments across generations.
