Spring has sprung at Manor barn

With the vibrant arrival of Spring, Manor Barn has truly blossomed! This month has been a celebration of new beginnings as we have embraced this seasons rejuvenating energy.

The warmth of the spring sunshine has encouraged us to spend countless joyful hours outdoors, where our residents have delighted in the simple pleasures of nature.

We have nurtured new life by planting seeds, observed the flourishing wildlife & experienced the return of our beloved annual visitor, Mother Duck!

The positive impact of Spring on our residents wellbeing has been undeniable. The fresh air and blossoming flowers have brought smiles, laughter and an overall sense of renewed happiness!

Chichester Fire & Rescue Service Visit

Manor Barn was filled with joy as we welcomed The Chichester Fire & Rescue Service. Residents and Staff learned important aspects of Fire safety, enjoyed a fun quiz and even got to explore the Fire Engine! The Friendly Crew provided a informative & memorable experience for all.
