Working Together for Resident Care

Manor Barn recently welcomed Sam and Amanda Easy from EMA Patient Transport for a tour of our home. They met staff and residents, saw our bright communal spaces, and learned more about the person-centred care we provide every day. A highlight was showing them one of EMA's specialist ambulances and exploring how their transport services can support our residents' needs. It was a wonderful opportunity to strengthen local partnerships and share our commitment to comfort, dignity and wellbeing. We look forward to working together to ensure our residents travel safely and happily for appointments, visits, and outings.

Grease, Giggles & Birthday Cheers!

We recently celebrated a fantastic Grease musical day at Manor Barn, transforming the home with themed decorations and enjoying the movie together in our purpose-built cinema room. With popcorn in hand, toe-tapping music, and plenty of smiles, it was a day full of fun and memories. We also love marking birthdays in style, with cheerful decorations, laughter, and cake, making sure every resident feels valued, loved, and celebrated by all.
