Cowboy Cinema Evenings and Interactive Story Telling

We spent a lot of time this month enjoying our lovely living room and cinema room. We participated in a Cowboy themed cinema night, dressing up in Cowboy hats and enjoying popcorn! We also had many interactive story telling sessions in our living room. Interactive story telling with props, enhances engagement by making the experience more immersive and hands-on. Props can help bring the story to life, allowing the audience to feel like they are part of the narrative. This sensory involvement can stimulate imagination and emotional connection, making the experience more memorable and impactful.

Community Warden Rich Moorey Visits Manor Barn

Rich visited Manor Barn and gave a talk and presentation on Fraud and Scams. The talk was really informative and covered a range of topics. Scams are a huge threat to the community so we all found this very helpful!

A very special 92nd birthday for our lovely Rosemary, a day filled with celebrations and games of bingo with friends. Rosemary's heartfelt smile and tears of joy remind us of the deeper meaning behind what we do. At Manor Barn, our mission goes beyond ensuring physical health - we strive to bring happiness and comfort to the hearts of those we care for. True happiness comes from the warmth and love that touch the soul.
