Manor Barn Thanks Our Blue Light Heroes

This June Manor Barn had the incredible opportunity to host our very first Blue Light Event, a special day dedicated to showing our immense gratitude to the emergency services in our area.

We were delighted to offer a complimentary hot drink and breakfast bap to the brave men and women who work tirelessly to keep our community safe. Our residents thoroughly enjoyed the day as well, getting the chance to meet these wonderful heroes firsthand.

It was a truly heartwarming experience for everyone involved and we want to extend a huge thank you once again for everything you do!

Hydration Month - Sip, Smile, Stay Well

To celebrate Hydration Month we introduced our Hydration Station! This welcoming space is open to residents, staff and visitors offering refreshing drinks throughout the day to help everyone stay hydrated and healthy.

Staying hydrated is essential for overall well-being, but it's especially important for older adults and those living with dementia. Proper hydration can help improve mood, boost energy & support memory. Our Hydration Station also encourages independence and a chance to enjoy a moment of social connection.

As always family and friends are warmly invited to join us for our upcoming events!

Wednesday 2nd July - 10:30am - Join us for a cuppa at our Dementia Cafe
Tuesday 8th July - 2pm - Amy with the sounds of the Musicals
