A Month Full Of Love and Laughter

February has been an exciting month at Manor Barn, Introducing Clare as our Lead Lifestyle coordinator. Clare has spent her time creating meaningful and fulfilling activities for our wonderful residents who are already enjoying the benefits of Clare's positive presence.

Our pet therapy mornings have proved popular with our residents positively impacting their emotional wellbeing and promoting their social interaction. Merlin the Magician put on an action packed show of balloon modeling and magic tricks which was thoroughly enjoyed by all!

Valentines Day At Manor Barn

Valentines Day was celebrated in style with decorations, heart shaped biscuits made by our talented chef and cupcake decorating.

We had nature singer Mog provide an afternoon of calming, interactive sing along music where the residents and staff enjoyed showing off their musical talents with instruments!

18th March we will be hosting a fun filled event with Chichester Fire & Rescue Service, including demonstrations, quizzes and answering any questions.

30th Dawns Vintage Do will be performing well loved classics from the 50's & 60's.

As always a warm welcome is extended for all events and we would love if you could come along
