Embracing the Sunshine and Blooms at Manor Barn

As April showers gave way to glorious sunshine, we at Manor Barn made the most of every bright moment!

Our residents thoroughly enjoyed soaking up the gentle warmth and fresh air whenever the opportunity arose.

Indoors however the vibrant hues and sweet fragrances of freshly cut flowers brought a delightful touch of spring into our home.

Our flower arranging sessions proved to be a wonderful way to brighten our living spaces and everyone's spirits!

Providing us with an extra special treat this month our annual visitor Mother Duck hatched her darling Ducklings bringing smiles all round.

Country Sing Alongs & Easter Crafts

Back by popular demand our Country Sing along sessions continue to be a real highlight, filling the home with familiar tunes and happy voices.

We also had a fantastic time getting creative with our Easter Crafts this Month. From decorating Eggs to a full Easter Egg Hunt, everyone got involved.

Its these moments of shared joy that make Manor Barn such a special place!

As always family and friends are warmly invited to join us for our upcoming events!
