## More Than a Care Home

Manor Barn is much more than just a place to live. It's a place where friendships blossom, laughter fills the air and wonderful memories are made. Whether we're enjoying fun activities together, sharing stories over a cup of tea, celebrating special occasions or simply having a good old chat, there's always an opportunity to connect and make new friends. We believe that the little moments spent together are often the most special, bringing everyone closer and helping to create a warm, welcoming community where everyone feels included, valued and part of our Manor Barn family.

# Beer and Pizza Day at Manor Barn!

Our residents rolled up their sleeves, put on their chef hats and got creative making their pizzas, piling on their favourite toppings.

To wash it all down, everyone enjoyed a refreshing alcohol-free beer alongside their homemade masterpieces. After all, what goes better with pizza than a nice cold beer?

There was lots of laughter and of course very happy tummies! It was a brilliant afternoon filled with fun, friendship and cheesy goodness.
